

**REMARKS**

This Amendment makes minor editorial changes to claim 1. Claims 1-7 have been allowed.

Examiner Lee is thanked for allowing claims 1-7. It is believed this Amendment places the application in condition for allowance for the reasons set forth below.

This Amendment overcomes the lack of antecedent basis objection to claim 1, line 4, by replacing "said paper support strip" with -- a paper support strip --. Two other minor changes have been made to make the claim even more definite. Thus, "the antennas" has been changed to --antennas-- on line 4, and line 7 has been amended by changing "paper strip" to -- paper support strip -- to make the claim language more consistent. Reconsideration and withdrawal of the objection to claim 1 are earnestly requested.

It is believed this application is in condition for allowance. Reconsideration and withdrawal of the objection to claim 1, and issuance of a Notice of Allowance directed to claims 1-7, are earnestly requested. The Examiner is urged to telephone the undersigned should he believe any further action is required for allowance.
